
Feature Display Condensed

Editorial design of the 1960s and 70s still has a strong hold on the collective imagination of contemporary designers. Herb Lubalin in New York and Willy Fleckhaus in Germany powerfully combined pictures and words, both making expressive use of big, bold, tightly spaced headlines.

Feature Display Condensed is particularly evocative of this earlier era, while also referencing the freewheeling early days of digital design, when designers took full advantage of the newfound ability to stretch and squeeze type.

ABOUT THE DESIGNERS

Christian Schwartz (born 1977) is a partner, along with Paul Barnes, in Commercial Type, a foundry based in New York and London. A graduate of Carnegie Mellon University, Schwartz worked at MetaDesign Berlin and Font Bureau prior to spending several years working on his own before forming Schwartzco Inc. in 2006 and Commercial Type in 2008. Schwartz has published fonts with many respected independent foundries, and has designed proprietary typefaces for corporations and publications worldwide.

Schwartz's typefaces have been honored by the Smithsonian's Cooper Hewitt National Design Museum, the New York Type Directors Club, and the International Society of Typographic Designers, and his work with Barnes has been honored by D&AD. As part of the team that redesigned *The Guardian*, they were shortlisted for the Designer of the Year prize by the Design Museum in London. Schwartz and Barnes also were named two of the 40 most influential designers under 40 by *Wallpaper**, and Schwartz was included in *Time* magazine's 2007 'Design 100'. In early 2007, Schwartz and German design luminary Erik Spiekermann were awarded a gold medal by the German Design Council (Rat für Formgebung) for the typeface system they designed for Deutsche Bahn.

Berton Hasebe (born 1982) moved from Hawaii to study and work in Los Angeles, obtaining a BFA from Otis College of Art and Design in 2005. In 2007 he moved to the Netherlands to study type design through the Type and Media masters course at the Royal Academy of Art (KABK) in The Hague. Berton has resided in New York since 2008, and was a staff designer with Commercial Type from 2008 to 2013, when he left to start his own studio.

Berton's typefaces have been awarded by the New York and Tokyo Type Directors Club, the ATypI, and the Brno Biennial. In 2012 he was awarded Print Magazine's 20 Under 30 Award. Berton has previously taught at Parsons School of Design, the Type@Cooper Extended Program at The Cooper Union, and the University of the Arts in Philadelphia.
